**Current mood:**  sore

i'm going to fucking SLAUGHTER someone. that fucking idiot who hit me in the fucking eye in gym class 20 minutes ago is so dead. it hurts so bad dammit!! ahhh! talk about a wake up call.

i emailed my mom last night. somehow i feel like i need to seriously talk to someone and i don't know who else to really turn to. my boyfriend's gone away and my dad wouldn't understand me if i held cue cards in front of his nose. for heaven's sake, he thinks i'm having sex and even told the doctor the other week to discuss different methods of birth control. what the fuck? i'm a **straight edge vegetarian virgin** for fuck's sake. haha

yeah well i want my bike. i really hope my brother doesn't fucking steal it. i'll be so freakin upset. i'll have to murder him and murder him again. well my 42.4 pound package is on it's way! lol tomorrow is the expected delivery date.

yes!

i have to present a project next class in economics. i hate it. and i hate presenting. i'm just gonna go up there and start talking. i dunno what to say. oh well. who cares.

MY FUCKING EYE HURTS!!  
now i have to redo my makeup.  
and i'm gonna be sore for the  
REST OF THE DAY!

dear idiot who hurt my eye,  
you hurt me really badly.  
i'm going to be acheing for the remainder  
of the day. plus my makeup is smeared  
and my eyebrow stud is bleeding again.  
you really ruined my day and it's only  
the morning. thanks so much for  
decking me like all hell. i've never  
felt so much better...  
thanks again,  
amy.

and to my little soldier out there,  
i miss you honey. please come home.  
i love you. xo  
amy + chris = <3

i never said i'd lie and wait forever  
if i died we'd be together  
i cant always just forget her  
but she could try

at the end of the world  
or the last thing i see  
you are  
never coming home  
never coming home  
could i? should i?  
and all the things that you never ever told me  
and all the smiles that are ever ever...  
ever...

get the feeling that you're never  
all alone and i remember now  
at the top of my lungs in my arms she dies

she dies

at the end of the world  
or the last thing i see  
you are  
never coming home  
never coming home  
could i? should i?  
and all the things that you never ever told me  
and all the smiles that are ever gonna haunt me  
never coming home  
never coming home  
could i? should i?  
and all the wounds that are ever gonna scar me  
for all the ghosts that are never gonna catch me

if i fall  
if i fall (down)

at the end of the world  
or the last thing i see  
you are  
never coming home  
never coming home  
never coming home  
never coming home  
and all the things that you never ever told me  
and all the smiles that are ever gonna haunt me  
never coming home  
never coming home  
could i? should i?  
and all the wounds that are ever gonna scar me  
for all the ghosts that are never gonna...

xo

well if you wanna talk, you can always talk to me (even if I'm a stranger).  
How long have you been a vegetarian?
